Charak Ayu Shilajit is an Ayurvedic proprietary medicine made from 100% natural premium quality Shilajit (resin form) sourced from the Himalayas. It is a sticky tar-like substance developed over centuries by the gradual decomposition of certain plants by the action of microorganisms. Shilajit has been used in Ayurvedic medicine for centuries as a rejuvenating and anti-aging compound. The main potency of shilajit is based on the properties of humic substances such as fulvic acid which are known to have antioxidant, anti-inflammatory and memory enhancing properties.
